

Self-Publishing Cheat Sheet

My Favorite Publishing Platforms

Ebook Platforms:

Publish direct to Amazon: <https://dtp.amazon.com/mn/signin>.

Publish direct to B&N Nook Press: <https://www.nookpress.com/>.

Publish direct to Kobo Writing Life: <https://writinglife.kobobooks.com>.

Publish to Apple and other online booksellers through Draft2Digital:

<https://www.draft2digital.com/>.*

Publish to Google Play through PublishDrive: <https://publishdrive.com/>.

Other publishers/distributors:

Smashwords: <https://www.smashwords.com/>.

Publish direct to Apple Books by following these directions: <https://support.apple.com/en-us/HT201183>.

Format Requirements

Amazon: Word or .mobi files.

All other retailers: Word or .epub.

Scrivener or Vellum can be used to format the files, or you can outsource the work.

Scrivener: <https://www.literatureandlatte.com/scrivener/overview>

Vellum: <https://vellum.pub/>

If you'd like professional assistance with formatting your ebook, I recommend Bob Houston. His email is bob_houston@hotmail.com. His prices are quite reasonable.

*As of late February 2019, Draft2Digital distributes to Google Play (program in beta)
